

The accounting partner your clients will appreciate you've brought in.

When we add value

When finance leaders step into a new business or engagement, they need a trusted accounting partner by their side to ensure quality, pace, and control.

A smart choice for fractional CFOs and independent finance leads

Why trust Folio

Folio Partners is a London-based accounting firm with a proven track record, supporting growing UK businesses across multiple sectors. We are known for high standards, responsive support, and trusted client relationships.

What we'll do

Backed by a proven methodology, we act as your CFO-friendly finance back office, delivering consistently to agreed timelines, keeping the fundamentals under control, and spotting efficiency opportunities.

Reliable, on-time delivery

- Bookkeeping and month-end close
- Payroll, pensions, and PAYE
- VAT and routine HMRC submissions
- Statutory accounts and Corporation Tax

Compliance, done right

- HMRC and Companies House obligations kept up-to-date
- Clean records and audit-ready standards
- Issues flagged early, with clear options and next steps

Tax and structuring opportunities, implemented

- Tax efficiency reviews
- R&D Tax Relief claims
- Restructuring and group structure (review and implementation)
- Employee share scheme set-up
- EIS/SEIS compliance
- Tax returns (business and personal, where in scope)
